CLARK AND MANN FIGHT SIDE BY SIDE

PARTY LINES ARE OBLITERATED
AND HOUSE PASSES TWO
NAVY BILLS.

PASS WITHOUT OPPOSITION

One Provides for Addition of 300 Midshipmen to July Class—Other for Battleships 43 and 44.

Washington.—Speaker Clark and Republican Leader Mann fought side by side in the house for adequate National defense. With party lines obliterated, most of the members followed their leaders and two navy measures passed without a dissenting vote. One, to provide for adding 300 midshipmen to the entering class at Annapolis next July, passed 173 to 0, and the other to equip navy yards for construction of battleships Nos. 43 and 44, passed without a roll-call.

Mr. Mann tried to put the anti-preparedness advocates on record by calling for a division on the Naval Academy bill, but there were no negative responses.

The appearance of Speaker Clark on the floor to champion preparedness measures aroused wide interest. Rumors persisted that he would take active charge of the fight to increase the army and navy.

Immediate improvement of the navy by designing new battleships along the lines of the best now in use, doubling the membership of both Annapolis and West Point, creation of many additional regiments for the army and short term enlistments to produce a reserve were among the suggestions made by the speaker. He said he expected to discuss the subject of preparedness generally soon.

Mr. Mann reiterated his previous pleas for a larger army and navy and aided in maneuvering the bills to passage. "This is not the time for crimination and recrimination," said he. "It is not the time to find fault with that which has been. It is the time for all kinds for that which may come."

Mr. Clark urged haste in getting new battleships into commission. He asked Chairman Padgett of the naval committee why it would not be a good plan to pattern the two new battleships, Nos. 43 and 44, after the best United States ship now afloat and get them completed quickly.

WILSON OBJECTS TO REDUCTION.

Colombian Treaty Not Approved on Account of Reduction.

Washington.—President Wilson has not approved the amendments to the Colombian treaty reported by the senate Foreign Relations Committee, and Democrats in the senate are by no means unanimously in favor of them. It developed that a strong effort probably will be made in the senate to defeat the changes which would reduce the proposed indemnity to Colombia from \$25,000,000 to \$15,000,000 and revise the expression of regret that anything should have marred the relations between the two countries so as to make it mutual instead on the part of the United States alone.

Minister Betancourt of Colombia, called on Secretary Lansing during the day and was assured that the President had not given his approval to either of the amendments. Later it became known that many of the Democrats of the Foreign Relations Committee opposed the changes.

A Republican, Senator Smith of Michigan, by changing his vote on a tie in the senate, carried the amendment reducing the indemnity to \$15,000,000.

Education Board Appropriates.
New York.—The General Education Board of the Rockefeller Foundation announced appropriations of \$335,250 to various colleges throughout the United States. These appropriations bring the total amount distributed by the board since its organization 13 years ago to \$12,322,460.

The larger amounts donated were: Maryville College, Maryville, Tenn., \$75,000; Western College for Women, Oxford, O., \$100,000; Milwaukee-Bowener College for Women, Milwaukee, \$100,000.

Among several appropriations for negro schools in the south was one of \$2,000 for the Manassas, Va., Industrial School. For home-makers clubs for negroes in the South \$16,250 was distributed as follows:

Alabama, \$2,750; Arkansas, \$2,200; Georgia, \$2,000; Kentucky, \$1,500; North Carolina, \$3,500; Tennessee, \$1,800; Virginia, \$2,500.

English and French Watch Port.
Newport News, Va.—Coincident with the announcement that the Appam will be allowed to take on 200 tons of coal for port uses, British shipmasters arriving here report that an English and a French cruiser patrol the Atlantic coast in the vicinity of the Virginia capes. The cruisers do not wait the departure of the Appam, but rather the expected arrival of other German prizes or sea raiders, for the Appam's crew is not large enough to man her and it would be suicide to take the steamer out.

Where Money Talks.

She was doing her best to make full use of her leap-year prerogative.

"I am a poor girl, as you know," she said, "but if the devotion of a true and loving heart goes for anything with you—"

"Oh, it goes with me all right," interrupted the practical young man. "but I'm afraid it won't go with the grocer and the butcher."

After the war many a plowshare will be dulled by cannon balls.

Anyhow, the grand old Liberty Bell had a cracking good time of it.

You can't tell from the size of an automobile how far it will splash.

It is impossible to make a bilious man believe the world is getting better.

A soft answer turneth away wrath, but doesn't prevent it from taking an encore.

Much of the war news is ranking among the most popular fiction of the day.

Employers call it "the servant problem" and servants call it "the employer problem."

What has become of the motherly woman who used to knit mittens for the kiddies?

There are barbed wire entanglements around every office that is worth having.

The Culebra cut is persistent in developing a kind of landslide that does nobody any good.

He Likes Himself.

"Well, if that Watson isn't the most conceited, self-satisfied self—"

"Yes, I've heard you say something of that kind before. What's started you off this time?"

"He just sent a telegram of congratulations to his mother."

"Well?"

"Today's his birthday."—Everybody's Magazine.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Don't Look Old! Try Grandmother's Recipe to Darken and Beautify Gray, Faded, Lifeless Hair.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.—Adv.
